

Energize Your Friends & Family Referral Program

As a customer of Snap Energy Latino, you have the ability to **save money on your energy bills** by referring your friends and family!

Earning extra money couldn't be easier!

Here's how it works:

- Simply refer your friends and you will **earn a \$30 credit** towards your account. Have your friend or family member call: 1-844-223-2159 to sign-up for one of our great electric plans. They will need to provide our representatives with your account number (If they do not have your account number, they will need to provide your name and service address). Once they are enrolled and make their initial payment, you will receive a \$30 credit instantly!
- That's \$30 for every person you refer, with **NO LIMITATION** to the number of people you can refer.
- The program doesn't stop there. In addition, if your referral refers one of their friends or family to Snap Energy Latino, you will **receive an additional \$10 credit** to your account.
WOW, get FREE energy for someone else's work!

To help you get started **making extra money**, below are a few referral cards that you can cut out and hand to friends and family. Simply write in your Name & Account Number and let them do the rest!
